The Friends sponsor two book sales a year at the Enterprise Public Library. Usually held in the fall and spring, books, music CDs, audio tapes and CDs, and all sorts of book/reading type materials are available. Members of the Friends organization are invited to a Members Only sale the night before the sale opens to the public.

The Friends have some books for sale year round on the ground floor of the library. Be sure and check out the Book Sale shelves located across from the newspaper room. Volunteers add new books 3 to 4 times a month.

Volunteers to help with the sorting, pricing, and shelving of books are always welcomed.
