Act 2006-586 was passed in the 2006 Regular Session of the Alabama Legislature and signed into law on April 26, 2006. This Act directs all boards and agencies to notify the Department of Revenue in writing of their regulatory requirements. It also requires the Department to compose a list of all state boards and agencies that regulate licensing of businesses or occupations under their jurisdiction and to distribute the list to all municipal license officers.

Attached are lists of the boards and agencies that have notified the Department of their regulatory requirements. These lists have been prepared alphabetically by board/agency and occupation/entity. Any individual or business entity that is shown on the list should present a permit or certificate from the regulatory board or agency prior to the issuance of a municipal business license.
