

Water Conservation within the Water Service Jurisdiction of the City of Enterprise Water Works

Ordinance 05-15-01 states there are 4 Water Conservation Stages. At the present time and until further notice, we are on Stage 11, Mandatory Compliance and Water Alert. The following restrictions shall apply to all customers or persons who use City of Enterprise water systems.

- a. Irrigation utilizing individual sprinklers from hoses or buried sprinkler systems for the purpose of watering lawns, gardens, landscaped areas, trees, shrubs, and other plants is prohibited except on designated water-use days which shall be as follows:
 - 1. Odd-numbered street addresses will water on Monday, Wednesday and Friday.**
 - 2. Even-numbered street addresses will water on Tuesday, Thursday, and Saturday.**
 - 3. No watering will be allowed on Sunday.**
- b. This restriction shall not apply to:
 - 1. Commercial nurseries; however, commercial nurseries should restrict water use to that which is absolutely necessary.
 - 2. It shall also not apply to newly sodden lawns for two weeks after the sod is applied. For newly sodden lawns.
 - 3. Also exempt from the restriction is any handheld garden hose or small handheld watering container, which may be used on any day to water small areas that might need more frequent watering.

VIOLATIONS: The following penalties will be enforced for any violations of the above stated stages as follows:

- 1. First Offence: Written warning and the violator is to correct the violation within 30 minutes.**
- 2. Second Offence in the same calendar year: Disconnect water service with a \$50.00 fee to reestablish water service.**
- 3. Third Offence in the same calendar year: Disconnect water service with a \$200.00 fee to reestablish water service.**
- 4. Fourth Offence in the same calendar year: Disconnect water service until the water conservation plan that is in effect at the time of the violation has expired and a fee of \$500.00 to reestablish water service.**
