The Friends sponsor two book sales a year at the Enterprise Public Library. Usually held in the spring and fall, all sorts of book/reading items are available. Fiction, non fiction, videos, DVDs, CDs, audio tapes, and books on CD, DVDs number among the offerings.

Members of the Friends organization are invited to a Members Only sale the night before the sale opens to the public. Look for bookmarks distributed at the library as well as the twice yearly newsletter sent to all currant members for information about the sales.

The Friends have books, magazines and other items for sale year round on the second floor of the library. Located on the second floor of the library, these items all sell for 10¢. Volunteers add new books several times a month.

Volunteers to help with the sorting, pricing, and shelving of books are always welcomed.
